

Summit Training Workshop – Knoxville, TN

Tom Papatheodore

Oak Ridge Leadership Computing Facility

February 11-13, 2019

ORNL is managed by UT-Battelle, LLC for the US Department of Energy

Continued Access to Ascent After the Workshop

- Ascent access through project GEN115 will continue through February 22, 2019 so please transfer any data before this date.

Transferring Data from Ascent Storage Areas

- Ascent mounts different file systems than Summit
 - /ccsopen/ on Ascent, but /ccs/ on Summit
 - /gpfs/wolf on Ascent, but /gpfs/alpine on Summit
- To transfer data, you can use
 - Traditional tools (e.g. `scp`)
 - Globus Online
 - Use “NCCS Open DTN” and “OLCF DTN”
